SUMMARY & OBJECTIVE

Dedicated and enthusiastic student of computer science with a strong background in programming and machine learning, demonstrating accomplishments in project execution and demonstrated proficiency in Python development. have a solid grasp of networking concepts. eager to continue my education in cybersecurity in order to improve my knowledge and make a contribution to the field's ongoing evolution.

SKILLS

Programming Languages: Python, Java, C

Web Technologies: HTML & CSS& JAVASCRIPT

Database: MySQL , PL/SQL

Soft Skills: Communication, Software Proficiency, Business Development, Financial Record Keeping, Customer Relationship Management

Languages: Fluent in English, Telugu , Fluent in Hindi

EDUCATION

Sree Vidyanikethan Engineering College, *Tirupati, Andhra Pradesh* — 2025
Bachelor of Technology – Computer Science and Systems Engineering — CGPA: 8.5

Narayana Junior College, *Kurnool, Andhra Pradesh* — 2020
Andhra Pradesh Board of Intermediate Education – PCM — MARKS:945

Sri Chaitanya, *Nandyal, Andhra Pradesh* — 2018
Board of Secondary Education Andhra Pradesh — GPA: 9.5

INTERNSHIP

Salesforce Developer Virtual Internship   **May 2023 – Jul 2023**

The Salesforce platform provides a straightforward and user-friendly way to create applications forvarious purposes. The goals of this internship were to create a data model for a trip approval app and integrate automated procedures utilizing formulae and validations. An application that is being developed can store data in an ordered manner with the help of a data model. Conversely, a validation rule could consist of a formula or expression that evaluates the data in one or more fields and returns True or False depending on how the application might treat the data.
Completed practical exercises and comprehensive projects like the My City app and Flight Search app, emphasizing a commitment to continuous learning and practical application of skills in real-world scenarios.
Salesforce Developer Profile: https://www.salesforce.com/trailblazer/sshaik1352

PROJECTS

- Converting image into pencil Sketch - Python
- Fossil Fuels Management System - DSA.
- FIFA Database Management System-DBMS.

CERTIFICATIONS

- Scientific Computing with Python
- AWS Cloud Computing
- Innovation and Automation using Python
- Cost Accounting and Financial Management (Coursera)
- Environmental Science(Coursera)

CO-CURRICULAR PARTICIPATION

- Actively participated in various competitive exams, including those organized by SILVER ZONE FOUNDATION, NTSE, International Master Mathematics Olympiad, I.Q. Olympiad, and NSO.

EXTRACURRICULAR ACTIVITIES

- Participated in organizing the "Mohana Mantra" cultural fest, contributing to its resounding success and widespread celebration within Sree Vidyanikethan Engineering College.
- Secured a medal as a coordinator for leading and organizing technical activities within the college.
- Actively engaged in sports competitions within my university, demonstrating dedication to physical fitness and strength.
- Secured numerous medals and certificates, highlighting my proficiency and success in organizing and team managing.
